Jesus Friend of sinners we have strayed so far away
We cut down people in your name but the sword was
never ours to
swing
Jesus friend of sinners the truth's become so hard to
see
The world is on their way to You but they're tripping
over me
Always looking around but never looking up I'm so
double minded
A plank eyed saint with dirty hands and a heart divided

Oh Jesus friend of sinners
Open our eyes to the world at the end of our pointing
fingers
Let our hearts be led by mercy
Help us reach with open hearts and open doors
Oh Jesus friend of sinners break our hearts for what
breaks yours

Yeah,yeah,yeah

Jesus friend of sinners the one who's writing in the
sand
Make the righteous turn away and the stones fall from
their hands
Help us to remember we are all the least of thieves
Let the memory of Your mercy bring your people to
their knees

Nobody knows what we're for only what we're against
when we
judge the wounded
What if we put down our signs crossed over the lines
and love like
You did

Oh Jesus friend of sinners
Open our eyes to the world at the end of our pointing
fingers
Let our hearts be led by mercy
Help us reach with open hearts and open doors

Oh Jesus friend of sinners break our hearts for what
breaks yours

You love every lost cause; you reach for the outcast
For the leper and the lame; they're the reason that You
came
Lord I was that lost cause and I was the outcast
But you died for sinners just like me a grateful leper at
Your feet

'Cause You are good, You are good And Your love
endures forever
You are good, You are good and Your love endures
forever
You are good, You are good and Your love endures
forever
You are good, You are good and Your love endures
forever

Oh Jesus friend of sinners
Open our eyes to the world at the end of our pointing
fingers
Let our hearts be led by mercy
Help us reach with open hearts and open doors
Oh Jesus friend of sinners break our hearts for what
breaks Yours

And I was the lost cause and I was the outcast
Yeah(hold note)
You died for sinners just like me, a grateful leper at
Your feet
