Here I am a sinner broken and in need of You
Take my life and wash my fears away
For You are the 'Great I am', rest assured, I feel Your
hand
Holding me until the darkness clears

A Father to the fatherless, redeemer of my soul
My Life is Yours forever, my heart will always know

Your mercy saved me, mercy made me whole
Your mercy found me, called me as Your own

Here I stand a child of Yours broken and in need of You
Break these chains and wash my guilt away
Healer of my brokenness, my weary soul will find its
rest
You are my strength, the lifter of my head

You're greater than my yesterdays, You hold me close
today
You're the Lord of my tomorrows, my heart will always
say
You're greater than my yesterdays, You hold me close
today
You're the Lord of my tomorrows, my heart will always
say

Your mercy saved me, mercy made me whole
Your mercy found me, called me as Your own
Your mercy saved me, mercy made me whole, me
whole
Your mercy found me, called me as Your own

You called me as Your own
You called me as Your own
Thank You for Your mercy
Thank You for Your mercy

Your mercy saved me, mercy made me whole
Your mercy found me, called me as Your own
Your mercy saved me, mercy made me whole
Your mercy found me, called me as Your own

You called me as Your own, Your own
