I was sure by now
God You would have reached down
And wiped our tears away
Stepped in and saved the day
But once again, I say "Amen", and it's still raining

But as the thunder rolls
I barely hear Your whisper through the rain
"I'm with you"
And as Your mercy falls
I raise my hands and praise the God who gives
And takes away

I'll praise You in this storm
And I will lift my hands
For You are who You are
No matter where I am
Every tear I've cried
You hold in Your hand
You never left my side
And though my heart is torn
I will praise You in this storm

I remember when
I stumbled in the wind
You heard my cry
You raised me up again
My strength is almost gone
How can I carry on
If I can't find You

As the thunder rolls
I barely hear You whisper through the rain
"I'm with you"
And as Your mercy falls
I raise my hands and praise the God who gives
And takes away

I'll praise You in this storm
And I will lift my hands
For You are who You are
No matter where I am

Every tear I've cried
You hold in Your hand
You never left my side
And though my heart is torn
I will praise You in this storm

I lift my eyes unto the hills
Where does my help come from?
My help comes from the Lord
The Maker of Heaven and Earth
I lift my eyes unto the hills
Where does my help come from?
My help comes from the Lord
The Maker of Heaven and Earth

I'll praise You in this storm
And I will lift my hands
For You are who You are
No matter where I am
Every tear I've cried
You hold in Your hand
You never left my side
And though my heart is torn
I will praise You in this storm
And though my heart is torn
I will praise You in this storm
