Looking out from his throne  
Father of light and of men  
Chose to make himself known  
And show us the way back to Him

Speaking wisdom and truth  
Into the hearts of peasants and kings  
He began to unveil  
The word that would change the course of all things  
With eyes wide open all who'd see

The word is alive  
And it cuts like the sword through the darkness  
With a message of life to the hopeless and the frail  
Breathing life into all who believe

The word is alive  
And the world and its glories will fade  
But its truth, it will not pass away  
It remains yesterday and forever the same  
The word is alive

Simple strokes on a page  
Eternities, secrets revealed  
Carried on from age to age  
It speaks truth to us even still

And as the rain falls from heaven  
Feeds the earth before it returns  
Lord, let Your word fall on us  
And bring forth the fruit You deserve  
With eyes wide open, let us see

The word is alive  
And it cuts like the sword through the darkness  
With a message of life to the hopeless and the frail

Breathing life into all who believe

The word is alive  
And the world and its glories will fade  
But its truth, it will not pass away

It remains yesterday and forever the same  
The word is alive

The Bible was inscribed over a period of 2000 years  
In times of war and in days of peace  
By kings, physicians, tax collectors, farmers  
Fishermen, singers and shepherds

The marvel is that a library so perfectly cohesive  
Could have been produced by such a diverse crowd  
Over a period of time which staggers the imagination  
Jesus is its grand subject, our good is designed  
And the glory of God is its end

The word is alive  
And it cuts like the sword through the darkness  
With a message of life to the hopeless and the frail  
Breathing life into all who believe

The word is alive  
And the world and its glories will fade  
But its truth, it will not pass away  
It remains yesterday and forever the same

The word is alive  
(World and its glories will fade)  
The word is alive  
(Its truth, it will not pass away)  
This word is alive  
(This word is alive, this word is alive)
