"Whole World In His Hands"

When all around is fading
Nothing seems to last
When this day is filled with sorrow
Still I know with all my heart
He's got the whole world in his hands 2x
I fear no evil for You are with me
Strong to deliver mighty to save
He's got the whole world in His hands
When I walk through fire
I will not be burned
When the waves come crashing round me
Still I know with all my heart
He's got the whole world in His hands 2x
I fear no evil for You are with me
Strong to deliver mighty to save
He's got the whole world in His hands
He's got the whole world in His hands (repeat)
I fear no evil for You are with me
Strong to deliver mighty to save
He's got the whole world in His hands
