"Your Love Is Extravagant"

Your love is extravagant
Your friendship, it is intimate

I feel like moving to the rhythm of your grace
Your fragrance is intoxicating in our secret place

'Cause your love is extravagant

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever known,
You considered me a friend and capture my heart
again

Your love is extravagant
Your friendship, it is intimate

I feel like moving to the rhythm of your grace
Your fragrance is intoxicating in our secret place

And your love is extravagant

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever known
You considered me a friend

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever known
You considered me a friend and capture my heart
again

Your love is extravagant
Your friendship, it is intimate
