...In the small german
Wuerzburg
One hundred and fifty-seven
witches
Were burnt at the stake from
1627 to 1629...
CARNAGE - In Wuerzburg -
Brand
Stakes on the impure
land
When the dying sun goes
down,
Hate will rise by law,
Tortured victims in the
flames -
Godless revel of human
race
Carbonized bodies - Holy

Inquisition - Demise
Blinding fires -
Glorification - Smiles
Mesmerized eyes - Silent
Supplication - Cries
Necrotized hexes - Bad
Indoctrination - Lies
When the bloody moon goes
down,
Hate will fall by dawn,
Ashes on the Square of
Shame,
From a cursed town Who is to
Blame ?
