In World of the evil and  
dark  
Hatred is dominate  
A frightening life  
In endless obscurity  
Pain, misery in every direction  
of the World  
Wars with no reason, decline and  
death forever  
Years of chaos  
Immoralities  
Tormenting dreams  
Fatal mistakes  
Decay - as contagion, reap on  
the faints  
Invisible dangers - in  
everyday life  
With contaminated mind of  
resolution  
Innocent human lives are  
destroyed  
Who is to blame and why ?  
Where is the justice and where  
is the law ?  
Mass mortality - accomplished  
by agony  
Reign of terror - revived in  
the blood

Pangs of your conscience  
Threatening words and  
deeds  
Your lifetime come to an  
end  
Soon you will be dead  
Venal persons, greedy  
worms  
Are incarnated in a gory  
mess  
Degenerated, tyrant  
system  
By pharisaical

congregation  
Conformation to the  
violation  
Hesitation of your sickly  
thoughts  
Life is hard, no  
compromise  
My state of rest is your  
rapid death  
Serpent of lie - spun around  
your neck  
No escape - from this mortal  
embrace  
Decade of suffering -  
lacerated wounds  
Exterminated nations - in World of  
eternal wars
