And misanthropy is my spiritual infinity  
I play on the strings of mankind  
But my symphony is requiem  
And the great number of concentration camps  
Cover the blood-coloured earth  
War funeral march

Holocaust of the races  
Is the act number one

They are buried in blood neath concentration camps  
On my drawings you can't find the bright colours  
Your future coloured in black and red  
But I am the artist, the creator  
My drawings made of blood of mankind  
And in your eyes I'm the God who creating  
The art of homicide...
