Guess there's no use in hangin' 'round
Guess I'll get dressed and do the town
I'll find a crowded avenue
Though it will be empty without you

I can't get used to losing you
No matter what I try to do
Gonna spend my whole life through
Loving you

Don't love some girl I used to know
After I heard her say hello
I couldn't think of anything to say
Since you're gone it happens every day

I can't get used to losing you
No matter what I try to do
Gonna spend my whole life through

Loving you

Can't get used to losing you
No matter what I try to do
Gonna spend my whole life through
Loving you

I'll find some party wait and see
Who am I kidding, only me
'Cuz no one else could take your place
Guess that I am just a hopeless case

I can't get used to losing you
No matter what I try to do
Gonna spend my whole life through
Loving you

Can't get used to losing you
No matter what I try to do
Gonna spend my whole life through
Loving you
