Destruction and hate in this world today  
I wanna see blood on your face  
People tell you this and people tell you that  
I think they are full of crap  
When you go to school or when you go to work  
There's always somebody to tell you what to do  
When you are at home your parents pick on you  
Don't you think it's time to live and make it on your own  
Think for yourself  
Destruction and hate in this world today  
I fucking love this hate  
When you see the news it's always hate  
Why should I care when no one thinks of me  
When I go to school or when I go to work  
Always see somebody getting mugged  
On the streets all alone  
I';Matt Gregg filled of anger on my own  
(mumbled part)  
I'm gonna kick the shit out of you peace punk,  
Try living our lifes, you don't know what it is to live on  
the streets  
To go to public school,know what it is to get picked on  
No You Don't  
( end mumbled part)  
Destruction and hate in this world today  
I love anger mia  
Always getting beaten because you're a punk  
Punx, punx, punx, punx say it one more time you cunts  
fucking you hate.
