### "Drinking Is Our Way Of Life"

Visit "[Drinking Is Our Way Of Life](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Oh yes!

Down in the bar  
Every fucking night  
Getting in trouble  
And getting into fights

If you lost your job  
Or if you lost your home  
If your girlfriend left you  
And the cops wont leave you alone

We drink so much  
We love to fucking fight  
We'll do it while were here  
And do it while were young

I'm sick of the depression  
I'm sick and tired of love  
Don't give me any talk  
Cause I want some alcohol

Drinking Is My Way of Life! [2 times]

*He's always at the bar  
He's always getting drunk  
He's Always getting wasted  
He doesn't give a fuck*

*He's Always at the bar  
He's always getting drunk  
He's always doing drugs  
Cause he doesn't give a fuck*

*Drinking in the night  
Drink from the chunks (drinking from chunks of puke)  
We drink so much yeah  
It's a fucking crime*

*Don't give me politics  
Don't give me any rules*

*Open a fucking beer  
And sing to this tune*

*I love getting fucking drunk  
We drink so much we're fucked up in the pub*

*I need to pee right now  
I'm looking for a dark place  
If you don't fucking like it  
I will pee on your face*

*Drinking Is My Way Of Life! [2 times]*

*He's always at the bar  
He's always getting drunk  
He's always getting wasted  
He doesn't give a fuck*

*He's always at the bar  
He's always getting drunk  
He's always doing drugs  
He doesn't give a fuck*

*He's always at the bar  
He's always getting drunk  
Always getting drunk cause  
He doesn't give a fuck*

*When I go out  
Drinking after dark  
Getting drunk and always falling down*

*We drink on the streets  
We drink with our friends  
We drink anyone  
Alcohol is the way*

*Say no more  
I think I'm gonna puke  
Don't give a fuck now of  
What you say or do*

*Whiskey Beer and Cider  
I love them all  
Look at us bastards  
WE'RE ALL DRUNK PUNX!*

*DRINKING IS MY WAY OF LIFE!  
DRINKING IS MY WAY OF LIFE!  
DRINKING IS MY WAY OF LIFE!  
DRINKING IS MY WAY OF LIFE!*
