"Get Off My Back"

You wanna take control of me but I won't let you do it
You say you know what's best for me, I'm gonna make
you prove it

You're always complaining at me
Get off my back
Why won't you just let me be
Get off my back

Tell me this, tell me that, I've heard it all before
You still bitch, my back is turned, I'm walking out the
door

You're always complaining at me
Get off my back
Why won't you just let me be
Get off my back
You're always bitching all the time
You wan't my time you know it's mine
You're always jumping on my back
Just let me be myself!

I talk and talk, you won't listen, you're stubborn as a
wall
You always bitch, you make me nuts, I'm gonna take a
fall
