Committed from the beginning
There is no fucking turning back
Forgotten youth, just wastes away
Always forward, never look back
Break all the fucking barriers
This street noise is all we've got
Fury and fucking anger
No more rules for the punx

Fuck you no rules for me
Fuck you I do as I please
Fuck you no rules for me
Fuck you I do as I please

Make some noise
Piss 'em off
Fuck 'em up
That's PUNK ROCK!
Make some noise
Piss 'em off
Fuck 'em up
That's PUNK ROCK!

So straight edge is the way
I go out and drink all day
Tell me to shut up and drink
I'll stay sober and eat my beans
If being vegan is the way
I'll eat hot dogs in your face
So you hate the PC crew
I write a peace song just for you

Fuck you no rule for me
Fuck you I do as I please
Fuck you no rules for me
Fuck you I do as I please
Too many rules
Fuck their rules

So you hate the spikey hair
I'll grow me Mohawk and make you stare

All these rule you have created
Won't force the kids just for your sake
So get it through your fucking head
It's up to you what to eat and drink
Miliant closed-minded fools
You're the church and schools of the youth
