"Rock And Roll Kids"

Visit "[Rock And Roll Kids](#)" on MotoLyrics.com

They all say they're worth it now
Then you go and sell yourselves
Go and watch some House of Rock
Only hear some "Blah Blah Blah"

Rock and Roll Kids dancing
"We can guzzle 40 Ounce."
Rock and Roll Kids dancing
"Not right now, it's just for fun."

Not the same we used to be
Cause it's something we wanna be
And we're not full of crap
You can't hate us cause we're fast

Rock and Roll Kids dancing
"We can guzzle 40 Ounce."
Rock and Roll Kids dancing
"Not right now, it's just for fun."

Rock and Roll Kids dancing
"We can guzzle 40 Ounce."
Rock and Roll Kids dancing
"Not right now, it's just for fun."

It's the same all 40 times.

"Not right now, it's just for fun."
