Out of school I've got no work
So my parents kicked me out of home
My girlfreind yesterday
Left me alone left me insane

Oh my god was i all wrong
Ugly bastard You ugly Bastard
Was it all just my fault
Ugly bastard You ugly Bastard
Is it me What a shame

So i say it once again
Becouse im ugly im in pain
Always seem to be alone
No one bye my side for too long

Oh my god I'll proove you wrong
Ugly bastard You ugly Bastard
No it was not my fault
Ugly bastard You ugly Bastard
Cant you see your the one to blame
Ugly bastards we are fucking ugly

Now i say it once again
All us uglies go insane
We have got nothing to loose
Becouse were punk this is true
So i say it one more time
Ugly bastard You ugly Bastard
We are ugly bastards now
Ugly bastard You ugly Bastard
All we do is scream and shout
Ugly bastard You ugly Bastard
Couse it sucks all around
Ugly bastard were ugly bastards
UGLY FUCKER!
