Goddess on the mountain top
Burning like a silver flame
The summit of beauty and love
And Venus was her name

CHORUS:

She's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desire

Her weapons were her crystal eyes
Making every man mad
Black as the dark night she was
Got what no one else had
Wah!

CHORUS

(Venus)

CHORUS

Goddess on the mountain top
Burning like a silver flame
The summit of beauty and love
And Venus was her name
Wah!

CHORUS

(Venus was her name)

Yeah baby she's got it (repeat 4)
