When I was just a little boy
You know my one and only joy
Was listening to that
Good old rock and roll

Well, I just turned 23
And if you want to
Get a message to me
All you gotta do is play
That good old rock and roll

They're really rocking in
Boston and Philadelphia, PA
Deep in the heart of Texas
And round the Frisco Bay

They're all over La Hoya
And down in New Orleans
All the cats wanna dance
With sweet little sixteen

I'm gonna tell Aunt Mary
About Uncle John
He said he got the misery
But know he's having fun

Oh, baby, yeah, oh, baby
Woo, oh, baby
I'm having lotta fun tonight

Chantilly lace and a pretty face
And a ponytail hanging down
A wiggle in her walk
And a giggle in her talk
Lord, have mercy
Makes the world go round

There ain't nothing in the world
Like a big eyed girl
She make me act so funny
Make me spend my money

Makes me feel real loos
Like a long neck goose
I like a girl, oh, baby
That's a what I like

Oh, come along, mama
Whole lotta shaking going on
Yeah, I said, come on, honey
We got a chicken in the barn
Whose barn, my barn
Come on, woman
Whole lotta shaking going on

Well, you can knock me down
You can step on my face
Slander my name all over the place
Do anything that you wanna do
But, uh uh, honey
Lay off of them shoes

And don't you step
On my blue suede shoes
Well you can do anything
But lay off of them blue suede shoes

Come along and be my party doll
Come along and be my party doll
Come along and be my party doll
And I'll make love to you, to you
And I'll make love to you

When I was just a little boy
You know my one and only joy
Was listening to that
Good old rock and roll

Well, I just turned 23
And if you want to
Get a message to me
All you gotta do is play
That good old rock and roll
