Darling said sir i love you  
Darling said sir let's get married  
Darling said sir i need you  
Feel so bad before you  
Sir said darling watch many ?  
Get a couple of  
Lots of mad talking  
Sir said darling want you ?  
Sir said darling bring me dinner  
Sir said darling get down on your knees  
Sir said darling  
Sir said darling  
Sir said darling  
Darling said sir stop your  
Darling said sir you're hurting me  
Darling said sir why do you want to treat me this way ?  
Don't point that gun at me  
Darling said sir  
Darling said sir  
Darling said sir  
Sir said darling shut the fuck up  
sir said darling please get away  
Sir said darling i don't love you  
Now beg to me  
Sir said darling  
Sir said darling  
Sir said oh oh no
