I want to be a good woman
And I want, for you to be a good man.
This is why I will be leaving
And this is why, I can't see you no more.
I will miss your heart so tender
And I will love
This love forever

I don't want be a bad woman
And I can't stand to see you be a bad man
I will miss your heart so tender
And I will love
This love forever
And this is why I am leaving
And this is why I can't see you no more
This is why I am lying when I say
That I don't love you no more

Cause I want to be a good woman
And I want for you to be a good man
