"Great Expectations"

I am like powder, I am like relaxation
I am the snow, I am the snow, I am the snow

I live in a desert
And I let the wind make love to me
I dig in this ocean and I try to fill it with gold
Fill it to the top, fill it to the top, fill it to the top
Do you look for hope in other people's eyes
Well that may be your worst redemption

Do you feed and clothe yourself
Well that may be your best defense

I am from the moon, I am from the moon, I am from the
moon,

So they say, so they say, so they say

Facing, confronting, branding each other
We were made through one another

Great expectations, great expectations, great
expectations

So they say, so they say, so they say

I am the snow, I am the snow, I am the snow
