He was a friend of mine  
And he was a friend of mine  
He never done no wrong  
And a thousand miles from home  
He'd never harmed no one  
And he was a friend of mine

He was a friend of mine  
He is a friend of mine  
I stole away and cried  
He died on the road  
And a thousand miles from home  
He'd never harmed no one  
And he was a friend of mine

Whos wind came rolling in  
And who's heart was softly pounding  
Well i lay in my bed once again  
And he was a friend of mine

Hmm..was a friend of mine  
Hmm..is a friend of mine  
He never done no wrong  
And a thousand miles from home  
And he'd never harm no one  
And he was a friend of mine
