Oh, mr. Galo, what a good friend
He's always been a name (?)
Oh, mr. Galo, what a good friend
Close by behind (?)
Oh, Chan, what a woman you've become
Can't say i'd ever thought that he'd look you in the eyes
Oh, and what a lover you've become
Can't say that i always thought you were a liar
Oh, you say
What a laugh you had
I cannot say i ever thought i would have had
Anything funny
Oh, and what a charmer you've become mr. Galo (?)
Not full of hate
