I still have a flamegun,
For the cute cute cute ones,
And I saw your hand,
With a loose grip,
On a tight ship.
I still have a flamegun,
For the cute ones,
To burn out all your tricks,
And I saw your hand,
With a loose girl,
On a very tight ship.
And I know that in the cold light,
There's a very big man,
There's a very big man,
Leading us into,
Temptation.
Jackson, just see, I've got a son in me,
Jackson, just see, I've got a son in me,
And he's related to you,
He's related to you,
He is waiting to meet you.
And he's related to you,
He's related to you,
He is dying to meet you.
Backhand, role reversal,
Where is someone,
Backhand, reversible roles,
I know there's someone.
I still have a flamegun,
For the cute ones,
To burn out all your tricks,
And I saw your hand,
With a loose girl,
On such a tight ship.
And I know that in the cold light,
Is a very big man,
Leading us into,
Temptation.
Jackson, just see, I've got a son in me,
Jackson, Jesse, I've got the son in me.
And he's related to you,

He's related to you,
He is waiting to meet you.
And he's related to you
He's related to you
He is dying to meet you
He's related to you, he's related to you
He's related to you, he's nude as the news
Nude as the news, nude as the news, nude as the news
All over, all over, all over, all over, all over, all over, all
over you
