She moves like an angel
And seven evening stars
Dance through the window
Of her universal house

His voice a crystal echo
Lies humming in your soul
So patiently awaiting
For your ears to behold

She ripples on the water
Leaves diamonds on the shore
And fish from every distance
Watch her ocean cellar door
Her breath a warm fire
In every lover's heart
A mistress to magicians
And a dancer to the gods
And a dancer to the gods

Her clothes are made of rainbows
And twenty thousand tears
Shine through the spaces
Of her golden ochre hair
Ooh my babe I want you
and on my life I swear
My conscience will I follow you forever
If you meet me everywhere
Yes if you if you meet me everywhere
