In the morning when we wake: Bismillah, Bismillah
With every step we take: Bismillah, Bismillah
With every word we say: Bismillah, Bismillah
And every game we play: Bismillah, Bismillah

Bismillah hir Rahman nir Rahim, Alhamdulillah hi Rabbil Alameen

Bismillah hir Rahman nir Rahim, Alhamdulillah hi Rabbil Alameen

With everything we do: Bismillah, Bismillah
And everything that's new: Bismillah, Bismillah
With every place we go: Bismillah, Bismillah
And every friend we know: Bismillah, Bismillah

Bismillah hir Rahman nir Rahim, Alhamdulillah hi Rabbil Alameen

Bismillah hir Rahman nir Rahim, Alhamdulillah hi Rabbil Alameen

With every song we sing: Bismillah, Bismillah
On every mountain peace will ring: Bismillah, Bismillah

Bismillah hir Rahman nir Rahim, Alhamdulillah hi Rabbil Alameen

Bismillah hir Rahman nir Rahim, Alhamdulillah hi Rabbil Alameen
