Oh, I can't keep it in
I can't keep it in, I've gotta let it out
I've got to show the world, world's got to see
See all the love, love that's in me

I said, why walk alone?
Why worry when it's warm over here?
You've got so much to say, say what you mean
Mean what you're thinking, think anything

Oh why, why must you waste you're life away?
You've got to live for today, then let it go, oh
Lover, I want to spend this time with you
There's nothing I wouldn't do, if you let me know

And I can't keep it in
I can't hide it and I can't lock it away
I'm up for your love, love heats my blood
Blood spins my head, and my head falls in love

No, I can't keep it in
I can't keep it in, I've gotta let it out
I've gotta show the world, world's got to know
Know of the love, love that lies low

So why can't you say?
If you know, then why can't you say?
You've got too much deceit, deceit kills the light
Light has to shine, I said shine light, shine light

Love, that's no way to live your life
You allow too much to go by, and that won't do, no
Lover, I want to have you here by my side
Now don't you run, don't you hide, while I'm with you

An' I can't keep it in
I can't keep it in, I've gotta let it out
I've got to show the world, world's got to see
See all the love, love that's in me

I said, why walk alone?
Now why worry when it's warm over here?

You've got so much to say, say what you mean
Mean what you're thinking, think anything, why not?
Now, why, why, why not?
