I love my dog
As much as I love you
But you may fade
My dog will always come through

All he asks from me
Is the food to give him strength
All he ever needs
Is love and that he knows he'll get

So, I love my dog
As much as I love you
But you may fade
My dog will always come through

All the pay I need comes
Shining through his eyes
I don't need no cold water
To make me realize that

I love my dog
As much as I love you
But you may fade
My dog will always come through

Na, na, na, na, na, na, nana

I love my dog
As much as I love you
But you may fade
My dog will always come through

Na, na, na, na, na, na, nana

I love my dog, baby
I love my dog, na, na, na
I love my dog, baby
I love my dog, na, na, na
