Cat Stevens
"I Think I See The Light"

I used to trust nobody, trusting even less their words
Until I found somebody, there was no one I preferred
My heart was made of stone, my eyes saw only misty gray
Until you came into my life girl, I saw everyone that way

Until I found the one I needed at my side
I think I would have been a sad man all my life

I think I see the light coming to me
Coming through me, giving me a second sight
So shine, shine, shine, shine, shine, shine
Shine, shine, shine

I used to walk alone, every step seemed the same
This world was not my home, so there was nothing much to gain
Look up and see the clouds, look down and see the cold floor
Until you came into my life girl, I saw nothing, nothing more

Until I found the one I needed at my side
I think I would have been a sad man all my life

I think I see the light coming to me
Coming through me, giving me a second sight
So shine, shine, shine, shine, shine, shine
Shine, shine, shine

I think I see the light coming to me
Coming through me, giving me a second sight
So shine, shine, shine, shine, shine, shine
Shine, shine, shine, shine, shine, shine
Shine, shine, shine, shine, shine, shine
