"If I Laugh"

Say, if I laugh just a little bit
Maybe I can forget the chance
That I didn't have to know you
And live in peace, in peace, oh yea

Say, if I laugh just a little bit
Maybe I can forget the plans that
I didn't use to get you
At home with me alone, oh yea yea
If I laugh

Say, if I laugh just a little bit
Maybe I can recall the way
That I used to be, before you
And sleep at night and dream, oh yea
Say, if I laugh, baby if I laugh just a little bit, oh yea
