"Into White"

I built my house from barley rice
Green pepper walls and water ice
Tables of paper wood, windows of light
And everything emptying into White.

A simple garden, with acres of sky
A Brown-haired dogmouse
If one dropped by
Yellow Delanie would sleep well at night
With everything emptying into White.

A sad Blue eyed drummer rehearses outside
A Black spider dancing on top of his eye
Red legged chicken stands ready to strike
And everything emptying into White.

I built my house from barley rice
Green pepper walls and water ice...
And everything emptying into White
