If you don't love me
Please don't treat me this way
'Cause I can't stand it
I see our love slipping away

Did you think that you could just put me down
Like a worn out shoe?
'Cause if you don't want me
Maybe, I don't want you

If you don't need me
Don't leave me out in the cold
Eyes drifting by me
Like somebody you don't know

Did you think that you could just walk away
Anytime you wanted to?
'Cause if you don't love me
Maybe, I don't love you

Did you think that you could just put me down
For somebody new?
'Cause nobody can love you, girl
Like I do

Every little bird in the sky
Would sing this song of love
If you would just take me back

Come on, open up your heart again
Woah, let me in, baby, baby

If you don't love me
Stop fooling yourself
No more acting
I know your show too well

Did you think that you could just shake my hand
With a, ?How d'y'do??
'Cause if you don't want me
Maybe, I don't want you

Oh, and as you go through life
It's the little things that come back again
Oh, if you came back again
You know I'd give my loving to you
