Now maybe you're right
And maybe you're wrong
But I ain't gonna argue
With you no more
I've done it far too long

It was getting so good
Why then, where did it go?
I can't think about it no more
Tell me if you know

You were loving me
I was loving you
But now there ain't nothing
But regretting, nothing, nothing
But regretting everything we do

I put up with your lies
Like you put up with mine
But God knows we should have
Stopped somewhere
We could have taken the time

But time has turned
Yes, some call it the end
So tell me, tell me did you
Really love me like a friend?

You know you don't have to pretend
It's all over now
It'll never happen again, no, no, no
It'll never happen again

It won't happen again
Never, never, never
It'll never happen again
No, no, no, no, no, no, no, no

So maybe you're right
And maybe you're wrong
But I ain't gonna argue
With you no more

I've done it far too long

It was getting so good
Why then, where did it go?
I can't think about it no more
Tell me if you know

You were loving me
I was loving you
But now there ain't nothing
But regretting, nothing, nothing
But regretting everything we do
