Well, I left my happy home
To see what I could find out
I left my folk and friends
With the aim to clear my mind out

Well, I hit the rowdy road
And many kinds I met there
Many stories told me
Of the way to get there

So on and on I go
The seconds tick the time out
There's so much left to know
And I'm on the road to find out

In the end I'll know
But on the way I wonder
Through descending snow
And through the frost and thunder

Well, I listen to the wind come howl
Telling me I have to hurry
I listen to the robin's song
Saying not to worry

So on and on I go
The seconds tick the time out
There's so much left to know
And I'm on the road to find out

Then I found myself alone
Hopin' someone would miss me
Thinking about my home
And the last woman to kiss me, kiss me

But sometimes you have to moan
When nothing seems to suit you
But nevertheless you know
You're locked towards the future

So on and on you go
The seconds tick the time out

There's so much left to know
And I'm on the road to find out

Then I found my head one day
When I wasn't even trying
And here I have to say
'Cause there is no use in lying, lying

Yes, the answer lies within
So why not take a look now?
Kick out the devil's sin
Pick up, pick up a good book now

Yes, the answer lies within
So why not take a look now?
Kick out the devil's sin
Pick up, pick up a good book now

Yes, the answer lies within
So why not take a look now?
Kick out the devil's sin
Pick up, pick up a good book now
