You cut me deep,
But now i'm gonna see you weep, yeah
This broken man
Is gonna do the best he can, yeah

I'll see you pay, before I give you my heart
Baby I'll do without
There'll come a day
When I'll smash your heart
And then turn away

You played with me like a toy
And a little baby
After I broke
You just didn't want to know, yeah

I'll see you pay, before I give you my heart
Baby I'll do without
There'll come a day
When I'll smash your heart
And then turn away

My time will come,
And you'll know when it's begun, yeah

You'll know because
You're gonna be just where i was, yeah

I'll see you pay, before I give you my heart
Baby I'll do without
There'll come a day
When I'll smash your heart
And then turn away
