Close your eyes and I'll kiss you  
The hammer crushes you, justice is seeking no truth  
And then while I'm away, I can't believe the price you  
pay  
As I send justice for all my loving to you

I'll pretend that I'm kissing  
Lady Justice I'm pissing, justice all raped, gone for you  
Ultimate in vanity, exploiting their supremacy  
As I send justice for all my loving to you  
All my loving, I will send to you, yeah  
All my loving, find it so sad but true, ooh

Close your eyes and I'll kiss you  
The hammer crushes you, justice is seeking no truth  
And then while I'm away, I can't believe the price you  
pay  
As I send justice for all my loving to you

All my loving, I will send to you  
All my loving, find it so sad but true  
All my loving, all my loving  
All my loving, you know it's sad but true
