[GILFOIL]

Introducing Catalina Yue featuring GILFOIL baby... To  
all the people out there that told you would never make  
it.

[Catalina]

I've got the ambition.  
Removed the complication.  
Take out the competition.  
Like fire after ignition.  
Lose your inhibitions.  
Ignoring misconceptions.  
Follow your intuition.  
Because I've got ambition.

Do what you want to do.  
Be who you want to be.  
Who cares what people think.  
(Think what they want to think.)  
Do what you want to do.  
Be who you want to be.  
Who cares what people think.  
Think what they want to think.

[Chorus]

Keep on climbing up  
And I don't care what people say  
I'll do my things. Oooohh  
Keep on climbing up  
And I don't care what people say  
I'll do my things.

[GILFOIL ]

No matter what they say, keep givin all you got  
Life life as you want, keep goin, don't stop  
When the haters wanna talk, brush it off, keep movin  
It's all about you, keep doin what your doin  
Truth is, you can overCome any obstacle  
Put your mind to it, almost anything is possible  
Followin your heart, work hard, have fun

Me an Catalina Yue gonna show em how it's done

[Catalina]x2

Ambitions what I got

Ambition what I have

Ambitions how I'll make it to the top.

[Chorus]

Keep on climbing up

And I don't care what people say

I'll do my things.

Keep on climbing up

And I don't care what people say

I'll do my things.

[Tony Brass]

Okay I'mma do my things

Don't care what no one else is saying

Stack my G's and live my life

Hold me back I'm not that type (no)

My mind setted a goal to make it right (right)

I'm not stopping until I win the fight

All you haters just get up out my sight

I know you burning by my starlight.

[Catalina]x2

Ambitions what I got

Ambition what I have

Ambitions how I'll make it to the top.

[Chorus]

Keep on climbing up

And I don't care what people say

I'll do my things.

Keep on climbing up

And I don't care what people say

I'll do my things.
