Deceptions, Lies,  
There's more to there then meets the eye.  
They're in disguise  
All these faces that I see.  
They're Multifaced  
Watching you to take a fall.  
They'll take it all.  
Waiting out to start a brawl  
Deceptions, Lies,  
Why can't you be honest with me  
They cheat, deny  
Things are not as they appear.  
So be advised  
They'll tell you what you want to hear.  
Don't be surprised  
Everything comes with a price.

Deceptions, Lies,  
All these faces that I see. (see) (see)  
Lying to me, trying to fool me (me) (me)  
Things are not as they may seem.  
They flaunt, they flatter and they play games  
Their intentions are well hidden from me (me) (me)  
Can't tell what's really on their mind. (mind) (mind)  
I only want the honest truth.  
And I only want whose being rea!!!!!!!!!!!!!!!!!!!!!!.

Deceptions, Lies,  
What's underneath it all, let me see (see) (see)  
Not being real like you or me. (me) (me)  
Say what you want to say to meeeee.  
No more lying to me baby...  
I determine my own worth and (and) (and)  
Don't need you here right by my side when (when)  
(when)  
Filing my head with all these lies  
So turn around and don't come back. (back)(back)  
(back)(back)
