Verse 1

There are only two ways
To get to what you want
Luck may be the first place
The next phase will amaze.
Don't be in a daze
When here's the latest craze
You ready for next phase.
You Ready for the race?

Being Driven

This is what's it all about
Being Fearless
With this there is no doubt.
Being Driven
This is what's it all about
Being Fearless
There is no other route.

You're here to make it far
You're here to show you're a superstar
Show us who you are!

Get Get Get Get up

Stand up
Fight
This is what's it's all about
Get Get up
Stand up
Fight
This is where you can shout.

Get Get Get Get up

Stand up
Fight
This is what's it's all about
Get Get up
Stand up
Fight
This is where you can shout.

I'm Driven, Driven

I'm fightin, fightin, fightin
Not stoppin, not stoppin
I'm Driven, Driven
I'm workin, workin
Not stopping till I get what's mine
I'm Driven, Driven
Not letting you take me down.

Verse 2

I'll do what I want to do
Not stoppin till it's mine
I'll be who I want to be.
It's time for me to shine.
I'll do what I want to do
With all I have combined
I'll say what I want to say.
I'll be my own design.

You're here to make it far
You're here to show you're a superstar
Show us who you are!

Chorus

Cause I am driven
And I ain't kiddin
And nothing can bring me down
The past can't hurt me
The future I see.
I'm strong as can be all around.

You're here to make it far
You're here to show you're a superstar
Show us who you are!

Chorus
