You're hot as fire.  
Next you're cold as ice.  
You gotta learn how to treat me right.  
(Cause) I'm fiercer than fire.  
I'm tougher than ice.  
You gotta learn how to treat me right.

I don't like to play these games  
Are you really here to stay?  
Or else be on your way.  
Don't think you can handle me.  
Won't settle for any less  
I really don't need the stress.  
Don't try to mess with me.  
(Be careful) playing with ice and fire.

I'm fiercer than fire.  
I'm tougher than ice.  
You gotta learn how to treat me right.  
I'm fiercer than fire.  
I'm tougher than ice.  
You gotta learn how to treat me right.

I'm a woman with goals and dreams  
Don't have time for those who scheme.  
Are you the one for me?  
Play me close if you get lucky.  
I won't settle for any less.  
I really don't need the stress.  
Don't try to mess with me.  
(Be careful) playing with ice and fire.

I'm fiercer than fire.  
I'm tougher than ice.  
You gotta learn how to treat me right.  
I'm fiercer than fire.  
I'm tougher than ice.  
You gotta learn how to treat me right.

Don't think you can handle me (Burning Fire)  
I don't think you can handle me.  
You want to heat things up? (Cold as Ice)

Better not play my heart.  
If you think you can handle me (Burning Fire)  
So you think you can handle me.  
If you play me cold as ice (Cold as Ice)  
Watch out I won't be so nice.

I'm fiercer than fire. (Fiercer than Fire)  
I'm tougher than ice. (Tougher than Ice)  
You gotta learn how to treat me right.  
I'm fiercer than fire. (Fiercer than Fire)  
I'm tougher than ice. (Tougher than Ice)  
You gotta learn how to treat me right.
