You're Beautiful. (Spoken)

And I'm Loving You
The way you touch my hair
The way you hold my hand
The way you do all that you do
I can't help but think of you
I'm loving you with all of my heart and soul.
You always put me first
You take my fears away
When things are at it's worst
You can make me stay
OooooooooooooOh
Yeahhhhhhhhhhhhhh
Yes It's true.
OooooooooooooOh
I'm Loving You with all of my heart and soul,
I knew I would from the first start.
And I...
I want you here right by my side.
With you, there's nothing that I need to hide.

And I'm Loving you.
The way you touch my hair
The way you hold my hand
The way you do all that you do
I can't help but think of you
I'm loving you with all of my heart and soul.
You always put me first
You take my fears away
When things are at it's worst
You can make me stay
OooooooooooooOh
Yeah Yeah Yeah
Yes it's true.

OooooooooooooOh
The way you met my eyes like no one else,
I could feel all the strength you gave to me.
And yoooooooooooooooooooo OooooooooooooOh
You're the only one who can make me feel
Like I can do all that I want to do.

And I'm loving you.
The way you touch my hair
The way you hold my hand
The way you do all that you do
I can't help but think of you
I'm loving you with all of my heart and soul.
You always put me first
You take my fears away
When things are at it's worst
You can make me stay
Oh Oh Oh Oh
Loving Youuuu
