Hold me tonight...
Let me be your shadow tonight...
Just hooold me tight...
Don't go oouuut of my sight...

Just hold me in your arms.
Don't leave me all alone aside
I need you here right my side.
Don't let our love just die away.
I want to leave it all behind.
And just be with you tonight.

And... Just hold me tonight...
Let me be your shadow tonight...
Just hooold me tight...
Don't go ouuut of my sight...

El amor es dificil.
No se lo que pueda pasar
Solo quiero estar contigo.
Amarte todos los dias.
Amarte todos el tiempo.
Mi corazon es para ti.

Just hold me tonight...
Let me be your shadow tonight...
Just hooold me tight...
Don't go ouuut of my sight...

Just take me in your arms (and hold me)
Just hold me tight
I'm scared that I'm falling
I'm falling so fast that I'm fearful. So fearful. I'm
shaking. I need you here. I need you here right by my
side. And I can't be alone, I'm scared and please give
me the courage.

Hold me tonight
Let me be your shadow tonight
It just feels right
My heart has taken flight.

Hold me tonight
Let me be your shadow tonight
Don't leave me aside...
I just want to be here tonight
