[ verse 1 ]

Wounds that will not heal  
Cover the scars of the tortured soul  
Like broken machinery  
Rusted and in the rain cannot be the same

[ bridge ]

I am damaged inside  
I am burning inside  
The hands of time keep on turning  
And it's burning my eyes

[ pre-chorus ]

Love has no meaning to those who have never loved  
Dreaming decieving phantasmagoria

[ chorus ]

I am damaged I am damaged I am damaged  
Just another slave to the system  
In this dying world

[ verse 2 ]

All that time reveals  
Stare at the scars till you're goin' blind  
Like broken machinery  
Rusted and sitting there far beyond repair

[ bridge ]

[ pre-ch ]

[ chorus ]

[ solo ]

[ pre-ch ]

[ chorus ]
