verse 1X:

OH my GOD, What Has Happened Here?  
Everything is new and fresh and everybody's  
all well dressed, Equipped with the latest  
fashions, Well I have Brought my Fuckin dragon,

Chorus:

Everything is new and fresh,  
Everybody is well Dressed,  
Equipped with the latest fashions,  
Everything is all well kept,  
Everything is all except,  
they didn't bring along their dragons.

I wasn't informed that it was just a black and white  
party,  
No mythical creatures required,  
I tried to leave when I was greeted by my pet,  
ripping off the dj's head...  
with an arrow flying through his brain,  
killing off theodore, which kinda pissed me off,  
but I looked with my one good eye,  
and saw an original nintendo right near by...  
With a game labeled Catch Hell, Lorelei...

Try to make a perfect score,  
Try to make a fucking perfect score,  
I bet you cant because no one else has ever done it.

Come with me and you'll be in a world of pure  
imagination.

Here is the, Chocolate room..  
Close your eyes, take a deep breath,  
count to 3. and you'll be next,  
to pick out your own very chocolate dragon.  
yes i said a chocolate dragon.

chorus:

Here is the chocolate room,  
Close your eyes and take a breath,  
count to three, and you'll be next,

here is your bath towel & robe,  
get ready to make the best,  
you will make the best chocolate dragon!  
Make sure to take good care of your dragon.
