[Verse 1:]

If there ever is a time, when you're alone and feel
behind

Your hand reaches but can't find, I will be there in no
time.

Promise I'll be there in no time.

When you listen to this song, and you start to sing
along

Know that I'm not too far gone, and love through letters
will carry on

[Chorus:]

Because I miss you (because I miss you)

I need you now more than before.

Because I love you (because I love you)

You're all that I am looking for.

[Verse 2:]

This is not the way I planned, but for a while just
understand.

Separation is almost through, and I'll be back beside
you.

So when you go to sleep tonight, don't you cry it'll be
alright

Just hold that picture of me close, remember you're
what I want most

[Chorus 2:]

Because I love you (Because I love you)

I cannot take this anymore

Because I need you (Because I need you)

The only lips I want are yours.

Because I love you (Because I love you)

I cannot take this anymore

Because I need you (Because I need you)

I need you now more than before.

[Chorus]

[Chorus]

[Outro:]

"No Homo"

Lols.
