[Verse 1:]

Do you (feel at home?)
When you're out (on the road?)
I don't (feel at home, when you're gone)
And do you (understand?)
That I'm not (worried about holding hands)
But I like (holding hands)
With you!

[Chorus:]

So take a chance, take a chance now baby
Cause I've been feeling like you want me lately
Do a little bit of dancing, maybe
With me, or kiss me woah oh
Jenny dances, with her hips held tight and her lips
sealed quiet
Taking chances, cause it feels so right but her man
wont buy it!

[Verse 2:]

Does he (sit at home?)
Thinking (you're all alone)
I don't (think he knows, where you go)
When he (calls your phone)
Does he know (that I am your ringtone)
Oh baby, if only he knew...
What we do! (clapclap!)

[Chorus]
