You can chain my feet  
To the ground  
You can build me up  
Just to tear me down

Well, you can break my mind  
And tear it apart  
Can't change my heart  
Can't change my heart

Well, you can scream and shout  
Tear yourself apart  
But you can't change my heart  
No, you can't change it  
You can't change it

You can't make me love you  
Can't you see  
Unchain my heart  
And set me free

Won't turn me loose  
I can't live a lie  
Girl, there ain't no use  
To stop and wonder why

You better go on out  
And make a new start  
You can't change my heart  
Can't change my heart

No, no, no  
Don't you try to do it  
(Can't change my heart)  
No, no, no  
(Can't change my heart)  
Can't change my heart

(You can't change it)  
(You can't change it)

(You can't change it)

(You can't change it)
