You and I feeling love.  
You and I loving everyone.  
You and I living this/the sin and  
I know you are meant for me...  
You and I living in life  
You and I never slipping on ice,  
You and I falling asleep in a world;  
So quiet and nice...

(I will go) where the people do look at me.  
(And I will go) where the weather is good to me.  
(And I will see) all the souls that are there for me.  
And I hope that you will find and keep me company.

You and I feeling ashamed.  
You and I waking up in pain.  
You and I fighting feelings,  
Leaving me sad, leaving you...

(I will go) where the people do look at me.  
(And I will go) where the weather is good to me.  
(And I will see) all the souls that are there for me.  
And I hope that you will find and keep me...

You and I laughing.  
You and I blaming everything.  
You and I leaving the other in pain...  
The story remains...
