Your way to beautiful girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over  
Damn all these beautiful girl  
They only wanna do you dirt  
They'll have you suicidal suicidal  
When they say it's over

See it started at the park, used to chill after dark  
Oh, when you took my arm, that's when we fell apart  
Cuz we both thought, that love last forever  
They say where to young, to get are self's sprung  
Oh we didn't care, we made it very clear  
And they also said, that we couldn't last together  
See it's very define, your one of a kind  
But your much on my mind, you often get decline  
Oh lord my baby your driving me crazy

Your way to beautiful girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over  
Damn all these beautiful girl  
They only wanna do you dirt  
They'll have you suicidal, suicidal  
When they say it's over

It was back in 99, watching movies all the time  
Oh when i went away for doing my first chime  
And i never thought, that we was gonna see each other  
And then i came out, mommy move me down south  
And oh i with my girl who i though was my world  
It came out to be, that she wasn't the girl for me  
See it's very define, your one of a kind  
But your much on my mind, you often get decline  
Oh lord my baby your driving me crazy

Your way to beautiful girl  
That's why it will never work  
You had me suicidal, suicidal

When you say it's over  
Damn all these beautiful girl  
They only wanna do you dirt  
They'll have you suicidal suicidal  
When they say it's over

Now we are fussing and now we are fighting  
Please tell me why, i'm feeling ?  
And i don't know, how to make it better  
Your dating other guys, your telling me lies  
Oh i can't believe what i'm seeing with my eyes  
I'm losing my mind, and i don't think it's clever

Your way to beautiful girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over  
Damn all these beautiful girl  
They only wanna do you dirt  
They'll have you suicidal suicidal
