Big Mama's Door

Goin' down in Chickasaw, gon' take that right hand  
road  
Goin' down in Chickasaw, gon' take that right hand  
road  
Bet I ain't gon' stop till I come up in big mama's door  
Folks down in Chickasaw they all know my name  
Folks down in Chickasaw they all know my name  
And when I'm down there, man, sure be glad I came  
Girl that I'm lovin' got the great long curly hair  
Girl that I'm lovin' got the great long curly hair  
But her mama and papa, man, they sure don't 'low me  
there  
What you gonna do when you find your  
Biscuit roller  
Gone?  
What you gonna do when you find your biscuit roller  
gone? (Man, what about it?)  
Get in that kitchen, man, and roll 'em till she come  
home  
Get up in the mood, man, we sure had lots of fun  
Get up in the mood, man, we sure had lots of fun  
When I come round that corner, gonna see my pony  
run  
Goin' down in Chickasaw, gon' take that right hand  
road  
Goin' down in Chickasaw, gon' take that right hand  
road. (Goin' back to the wood!)  
Bet I ain't gon' stop till I come up in big mama's door
